## PROJECT MANAGER

Dear Hiring Manager,

I am writing to express my strong interest in the position of QA Manual Tester, as advertised on LinkedIn. With a background in software testing and a passion for ensuring the quality of products, I am eager to contribute my skills and expertise to your team.

As a QA Manual Tester, I have honed my testing skills through hands-on experience and have a deep understanding of the software development life cycle. My experience includes creating comprehensive test plans, executing test cases, and reporting defects. I take pride in my attention to detail and the ability to think critically, which enables me to identify and resolve issues effectively. Here are some key strengths and qualifications that I believe make me a valuable candidate for this position:

1. Strong manual testing skills: I have a proven track record of designing, executing, and documenting manual test cases to ensure software quality.
2. Test planning and strategy: I am experienced in creating test plans, defining test objectives, and selecting appropriate testing techniques to meet project goals.
3. Regression testing: I have hands-on experience in conducting regression tests to verify the stability and reliability of software after changes or updates.
4. Collaboration and communication: I am an effective communicator and collaborator, able to work closely with cross-functional teams to ensure smooth project workflows.
5. Analytical thinking: I excel in problem-solving and root cause analysis, helping to uncover issues and improve the overall quality of software.

I am excited about the opportunity to join and contribute to your mission of delivering high-quality software products to your clients. I am confident that my dedication to quality assurance, strong work ethic, and willingness to adapt and learn will make me a valuable member of your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and experience align with your needs and how I can contribute to your organization's success. Please find my resume attached for your reference.

Sincerely,

Hamza Muhammad Meerza
